

THE LIPS

Illuminated Singalong Spectacle
(Static Site Show)

The Lips are a chorus of delightfully deviant big puppet divas whose mouths have broken free from their bodies!

“The Lips were just so fabulous” – Roxy Robinson, Festival of Sky Director

A luminous outdoor singalong show with something to say, The Lips reanimate our favourite songs, celebrate our shared love of popular music and uphold our freedom to speak out, through a big pop puppetry performance for the whole family.

Highly expressive, The Lips change colour to compliment the playlist, melting from red, to pink, to green, yellow and blue, with moments of show-stopping pyrotechnics and smoke effects throughout. The perfect finale to your festival or event, our karaoke style LED displays encourage audiences to join in as our big puppet divas lead them in a joyful singalong celebration.
